The Defense Environmental Health Readiness System (DOEHRS) is an automated information system designed to support the Hearing Conservation (HC), Industrial Hygiene (IH), and Occupational Medicine (OM) programs within the Military Health System (MHS).

The DOEHR System provides efficient access of data and information to users throughout the Department of Defense (DoD) worldwide including Military Treatment Facility (MTF) commanders, industrial site commanders, lead agents, installation agencies, and other users of comprehensive occupational health information.

The DOEHR System will ultimately capture data on occupational exposures to personnel for transfer to the computerized patient record.

Submit Your Account Request Reset

Click here to submit

**You'll get an e-mail
message
saying that your application
has been accepted or
declined with a User ID and
a temporary password,
which must be changed**

**Apply for a DOEHRS DR
Account
as soon as possible**

Approval may take a day or two

Once you receive your DR account and have changed your temporary DR password, enter DOEHRs-HC, go to **File>Users**, locate your user name, and click on **“Edit DR Account Information”**

The screenshot shows the 'Users' dialog box in the DOEHRs-HC application. The dialog box has a title bar with a close button. Inside, it says 'To add a New User click the "New" button below.' There are several input fields: 'User Name' (containing 'ELMER'), 'Training Cert No.' (containing '020001A'), and 'Privileges' (a dropdown menu showing 'HCPM'). Below these fields are three buttons: 'New', 'Delete', and 'Clear Password'. At the bottom right of the dialog box is a 'Close' button. A red arrow points from the top right of the dialog box to the 'Edit DR Account Information' button, which is located below the 'Privileges' dropdown. To the right of the input fields, there is a green text box that says 'Account is not Locked. Click below to Lock User's Account' and a 'Lock Account' button. The background of the application shows a grid of user names and a sidebar with various options like 'Transfer All Stations', 'Reference Audiogram', 'IDN (SSN)', 'Demographic Data', 'Last Name', 'DoD Comp', 'UIC/WIC', 'Branch/Career Field', 'Major Command', 'Location/Place of Work', 'Comm. Phone', 'Remarks', 'ENT Problem?', 'NFHs', 'Steady Noise Exposure (TWA - dBA)', 'Impulse Noise Exposure (dBP)', and 'HPD Issued'. The taskbar at the bottom shows the Start button and several open applications: 'Inbox - Mic...', 'RE: Avian...', 'Microsoft ...', 'DOEHRs ...', and 'Defense...'. The system clock shows '08/16/02' and '2:12 PM'.

Users

To add a New User click the "New" button below.

The screenshot displays the 'Defense Occupational Environmental Health Readiness System - Hearing Conservation' application. A 'Login' dialog box is open, asking for 'User ID' and 'Password'. A red arrow points from the 'Login' dialog box to the 'DR Account' text in the yellow instruction box above. The background shows a grid of 'R P C' labels and various form fields for demographic and audiogram data.
